Pat Hauser called Miriam Rickett about the brackets used for the Geauga Power Sports sign. She said she would tell new tenants not to use them and would have them removed in the Spring.

It was discussed that we might select other appropriate houses to be included in the Historic District rather than include the entire village.

Also discussed was the Board's concern about the future of the Ford House and gazebo on the East side of the park. It was decided that a letter should be sent to Geauga Savings Bank stating our concern. Jim Wohlken will draft a letter.

The meeting was adjourned at 10:30 a.m.

Respectfully submitted - Pat Hauser, Chairman
