Mr. Johnston made a motion to approve the 10/5/12 minutes. Mr. Wohlken 2nd. All Board members present approved the motion.

The historic structures survey is progressing with again some issues with the software.

The educational/training program will be Wed., March 6 at 7:00 p.m. at 14544 N. Cheshire St. Larry Shibley will discuss the restoration of the facades of his two west block buildings.

Jim Croup of Claridon was recommended as a new Board member. Mrs. Hauser will request a resume from him.

Mrs. Hauser was approached by two members of the Burton Chamber about the possibility of obtaining a grant to repair the log cabin in Burton's park. Mrs. Hauser called the Ohio Historical Society Preservation Office. The log cabin is not in the National Historical Register so is not eligible for a CLG restoration grant. We could apply for a predevelopment CLG grant for reconstruction and drawing up of plans and then apply for a reconstruction grant through the Ohio Main Street Program run by Heritage Ohio. No further action was recommended.

Meeting was adjourned at 5:10 p.m.

Respectfully submitted - Pat Hauser, Chairman
