

Burton Historic District Review Board  
April 1, 2019  
7:00 pm - Burton Village Hall

The meeting was called to order at 7:00 pm.

Board members: Alison Weeks - no, Charles Weikart – yes, Christine Heltzel – yes, Ruth Spanos - yes.

Visitors: Jennell Dahlhausen, Curt Johnson

**Permit 2019-1 Chamber of Commerce:**

Mr. Johnson, representing the Chamber of Commerce, stated they are requesting the replace a leaking roof on the east/west, section of the log cabin. The current roof is wood and asphalt shingles, and they received quotes ranging from \$9,400-\$16,000 for a steel roof. The current roof lines are not the same either so they would like to modify this as well, which he feels will look better. They looked into asphalt shingles but it was too heavy for the old wood beams inside. They will also be replacing the gutters to match the proposed brown roof.

Mr. Weikart asked if the steel roof will be standing seam. Mr. Johnson stated he didn't obtain quotes for it because it is more expensive but is willing to see what it would cost. Ms. Heltzel suggested a go fund me account or some kind of fundraising to help with the funding. Mr. Johnson will obtain quotes for a standing seam roof and come back to the next meeting.

**Additional Business:**

Mr. Weikart moved to approve the minutes of the March 4, 2019 meeting, seconded by Ms. Spanos. By voice vote, all agreed.

**Additional Business:**

Ms. Dahlhausen asked if there is a specific time that an applicant has to submit an application to be placed on the next agenda. Ms. Spanos stated she wasn't aware but felt it should be a couple days before. She suggested eventually adding this to the ordinance.

**Adjourn:**

Ms. Heltzel moved to adjourn, seconded by Mr. Weikart. By voice vote, the motion passed. The meeting adjourned at 7:26 pm.
