**Permit 1017-19 Dasen**

Ms. Toahig explained that wrought iron is more historical than wood spindles. Ms. Toahig explained that there were neighbors across the street that had wrought iron spindles and Ms. Toahig felt if there were white spindles it would have been too much white. Ms. Weeks informed Ms. Toahig that the permit said they approved white wooden spindles with white railing, since the trim was white, the board felt that the spindles and railing should be white.

Ms. Spanos made a motion to approve the changes to 1017-19 Dasen porch as it exists right now, seconded by Ms. Weeks. Roll Call: Ruth Spanos – yes, Alison Weeks – yes, Christine Heltzel – yes. Motion passed.

**Permit 1019-19 Rodehorst**

Ms. Weeks explained that it wasn't clear to the board on what window option Mr. Rodehorst was going to choose. Mr. Rodehorst explained all wood windows single pane and storm windows on their outside. Mr. Rodehorst explained that the only thing we would have to change is the opening window because it comes inwards and they do not make them inwards anymore, so it will be going outwards. Mr. Rodehorst informs the Board that they are double hung, no crosses at all besides the one in the back. Mr. Rodehorst said visually everything will be the same, he is only changing the glass. Mr. Rodehorst informs the Board that it will be vinyl and not wood windows with the trim being all white.

Ms. Weeks made a motion to approve the window project as described, seconded by Ms. Heltzel. Roll Call: Alison Weeks – yes, Christine Heltzel – yes, Ruth Spanos – yes. Motion passed.

**Additional Business**
