Mr. McAuley is the contractor that will be building the pergola for 13874 Kirtland Street. Mr. McAuley mentioned that there is concrete there and the beams will be semitransparent cedar beams. Mr. McAuley will match the house and it will be the width of the house.

Ms. Weeks made a motion to approve as what was presented, seconded by Ms. Heltzel. By voice vote, motion passed.

Additional Business:

Ms. Weeks would like to separate the thoughts on the minutes. Ms. Weeks would like to wait to approve the September 13th, 2021 minutes until next meeting.

Mr. Brown did not see an issue with the applicant's recommendation to join the HDRB. Ms. Weeks feels very strongly about not having Mr. Ahrens on the HDRB due to particular guard for historic structures. Ms. Weeks feels that Mr. Ahrens would not make a good candidate for the HDRB. Ms. Weeks would like to talk about Justin Ahrens recommendation to join the board until Charlie Weikart joins the meeting.

Adjourn:

Ms. Heltzel made motion to adjourn at 6:59 PM, seconded by Mr. Weikart. By voice vote, motion passed.
